

Team PEI Jerseys/Uniforms 2017 Canada Games

The Canada Games Council has a commercialization policy that highlights the rules around team uniforms. Please note the following when purchasing your field of competition uniforms.

1. Please refer to your sports technical package (section 11) about any special notes/rules for your uniform.
2. Provincial colors must be worn. Team PEI colors are green with white and/or black trim or white with green and/or black trim. There is no set pantone color green.
3. There can be no commercial logos on the item other than the usual clothing mark. For example, if they were Nike uniforms, you could only have the normal size Nike logo that you would find if you purchased an article of clothing at a store.
4. You have a few options for what appears on the uniform. You can have:
 - The words "Team PEI"
 - Team PEI Logo
 - Use Your Provincial Sport Organization Logo
5. The Canada Games Council has been encouraging Provinces to have their teams embroider the Canada Games or the Host Society Logo on their uniform. If this is possible, please use your best effort to have this done.
6. You are not allowed to have any kind of sponsor logo on your uniforms.
7. If you require a copy of the Team PEI logo, the Canada Games logo or the Winnipeg 2017 logo, please contact Margie Misener at mrmisener@gov.pe.ca
